

HIGH QUALITY
CRINKLED LATEX

SUPER TECH SPANDI

PREMIUM LINE

Seamless protective gloves, made of polyester fabric combined with spandex, which guarantees flexibility and a perfect fit to the hand.
Coated with crinkled latex in black colour.

- ✓ High wearing comfort because of very good quality of latex.
- ✓ Used for medium-heavy construction, during loading and household work.
- ✓ Used for production line and precision mechanical work.
- ✓ Compliant with CE CAT. I.
