

TRANSPARENT
NITRILE LAYER

FLORIS

Protective gloves made of polyester yarn with a floral pattern, coated with a transparent nitrile, finished with an elastic rib.
Available in four designs.

- ✓ They perfectly fit the hand thanks to their flexibility.
- ✓ The nitrile improves the resistance to tear and abrasion.
- ✓ Used in the household and gardening.
- ✓ Combination of patterns in the package: there are 4 designs in one package.
- ✓ Compliant with CE CAT. I.
