

MICROFOAM  
NITRILE

## SUPER TECH DIAMANT

PREMIUM LINE

Protective gloves made of navy blue nylon liner (gauge 15), coated with microfoam nitrile.

- ✓ Special mini-cavities in the coating ensure a perfect feeling of the object being held.
- ✓ Nitrile increases resistance to grease and oils, and foam technology increases the flexibility and dexterity of the glove.
- ✓ Perfect for automotive industry including construction, mechanics and repair of vehicles as well as varnishing.
- ✓ Used for general mechanical, assembly and renovation works.
- ✓ Compliant with CE CAT II.
