

SUPER TECH FLEX+

PREMIUM LINE

Protective gloves made of nylon and spandex liner (15 gauge) in grey, coated with a microfoam nitrile in black colour. It's a 100% high-quality coated of NBR imported from Germany (nitrile butadiene rubber). Because of a special coating with strong layer they keep grip and flexibility.

- ✓ PVC dots coating on the inner side of hand.
- ✓ The raised dots on the coating increase comfort for repetitive work or when carrying heavy loads.
- ✓ High level of abrasion resistance and time of wear.
- ✓ Dedicated to: transport industry, construction, automotive, logistic.
- ✓ Ideal for precision work, for engineer.
- ✓ Compliant with CE CAT. II, OEKO-TEX STANDARD 100.
