

POLYURETHANE  
COATED

# SPRING

Protective gloves made of polyester yarn with a floral pattern, coated with a transparent polyurethane, finished with an elastic rib.

- ✓ They perfectly fit the hand thanks to their flexibility.
- ✓ The polyurethane improves the resistance to tear and abrasion.
- ✓ Used in the household and gardening.
- ✓ Combination of patterns in the package: there are 4 designs in one package.
- ✓ Compliant with CE CAT. I.
