

HIGH QUALITY
CRINKLED LATEX

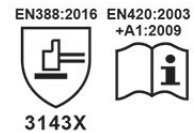

SUPER TECH DRACO

PREMIUM LINE

Protective gloves made of cotton yarn (21 gauges) in light yellow, coated with a crinkled latex in green colour. Because of a special coating with strong crinkled latex layer they keep strong grip and flexibility.

- ✓ Cotton yarn guarantees comfort even after long hours use.
- ✓ High level of abrasion resistance and time of wear.
- ✓ Dedicated for transport industry, building engineering and forestry.
- ✓ Ideal for gardening, household.
- ✓ Compliant with CE CAT. II.
